TRANSITION INFORMATION

The EI Provider provides services to eligible children from birth to age three. When your child is 27 months old, your early intervention program will talk with you about options that may be available depending on your child's abilities. Your three-year-old child may be eligible for special education preschool or you may consider other community preschool settings. If your child is not eligible for special education preschool, your service coordinator or service providers will help you identify community preschool setting options. A Transition Plan will be developed to help your family move from early intervention services to other services where appropriate.
